In the context of the program "Assistance to seriously ill children", we rendered assistance for the total amount of **1,076,859.04 UAH**.

35 children received individual assistance for the total amount of **440,719.97 UAH**. For 3 children we bought an endoprosthesis and donor's bones. We also provided our beneficiaries with medicines and supplies, and paid for urgent PCR tests for them, as this is obligatory for hospitalization during the pandemic.

For the Pediatric Department of the Cancer Institute, we purchased the necessary devices for measuring methotrexate levels, electric instruments, as well as medicines and supplies. The expenses amounted to **59,234.15 UAH**.

Renovation works have begun on creating a space for psychological support for children and parents in the Department of Hematology and Intensive Chemotherapy in the Lviv Hospital. The advance payment for the renovation is **46,739.66 UAH**.

Our physiotherapists helped **23** children

hospitalized at the Cancer Institute undergo physical rehabilitation after surgery providing them with **220** sessions. The compensation for the work of two physiotherapists amounted to **69,500.00 UAH**.

The team of our psychologists provided **90** children with 245 consultations and 108 parents with 252 consultations.

The consultations were both individual and group. The costs of this project amounted to **234,955.00 UAH**.

Zaporuka volunteers organized **16** entertainment activities for children online.

Three nurses of the Cancer Institute Pediatric Department lived in the apartment of the Foundation for free. We also paid for the PCR tests of two nurses who had suspected Covid-19.

The Dacha Center became home for **30** children and **37** parents, as well as other family members. Some children had an opportunity to live with either parents or grandmothers; sometimes their siblings visited them. The cost of the project amounted to **278,014.02 UAH**.

The cost of the project New Center Dacha Construction in the reporting period was **994,399.27 UAH**. During the reporting period, the plastering works were completed; the sub-sockets and the electrical panels were installed; the boiler-house was built and the heating duct was installed; the floor screed was made; the facade panels were ordered.

The administrative expenses of the Foundation amounted to **571,749.31 UAH**.
