For a patient of the Cancer Institute, we purchased a growing German-made endoprosthesis for the total amount of **1,662,858.06 UAH**. For the child in need of specialized treatment with drugs not registered in Ukraine, we brought medicines as humanitarian aid for the total amount of **1,630,817.40 UAH**. We also purchased chemotherapeutic drugs for patients, the need for which arose due to disruptions in public procurement. For 9 families we helped to get PCR tests as this is a necessary condition for hospitalization during the quarantine.

Thanks to the Renaissance Foundation grant and other donations, we provided children's oncology departments with the necessary personal protection equipment: masks, disinfectants, gloves, etc. The Pediatric Department of the Institute of Neurosurgery was disinfected by ozonation. The expenses amounted to **71,344.00 UAH**.

For the Pediatric Department of the Cancer Institute's operating room, we purchased the bone saw, which is used during bone surgeries.

The cost of the device is **18,900.00 UAH**.

We provided the departments with medicines and supplies, including a derotation boot for rehabilitation, for the total amount of **13,930.00 UAH**.

To improve the sanitary and hygienic conditions of the Lviv Hospital during the quarantine, we bought 10 laundry dryers and detergents for the total amount of **5,853.65 UAH**.

Our physiotherapists helped 16 children hospitalized at the Cancer Institute undergo physical rehabilitation after surgery providing them with 238 sessions. The compensation for the work of two physiotherapists amounted to **63,340.00 UAH**.

The team of our psychologists provided 56 children with 169 consultations and 82 parents with 144 consultations.

The consultations were both individual and group. The costs of this project amounted to **136,410.00 UAH**.

Zaporuka volunteers organized 26 entertainment activities for children online.

Three nurses of the Cancer Institute Pediatric

Department lived in the apartment of the Foundation for free.

The Dacha Center became home for 16 children and 19 parents; due to the quarantine almost all children lived with one of the parents, and visits by other relatives were limited. The cost of the project amounted to **342,652.13 UAH**.
