THANK YOU FOR HELPING US TO HELP!

In the context of the program "Assistance to seriously ill children", we rendered assistance for the total amount of **3,013,704.32 UAH**.

**91** children received individual assistance for the total amount of **989,684.30 UAH**. For **90** children, we purchased medicines and medical supplies for surgeries, as well as paid for examinations and urgent PCR tests, as this is obligatory for hospitalization during the pandemic. For **1** child, we purchased special expensive plates to eliminate craniosynostosis at a cost of **101,888.61 UAH**.

Thanks to the support of the Serhiy Prytula Foundation, the Dobrobut Clinic and many other contributors on the dobro.ua platform, we provided the operating rooms of pediatric departments with the necessary surgical instruments, including those intended for orthopedic interventions, as well as electric instruments, totaling **543,156.08 UAH**.

We completed the renovation works on creating the space for psychological support for children and parents in the Department of Hematology and Intensive Chemotherapy in the Lviv Hospital. The expenses in the reporting period amounted to **78,387.41 UAH**.

For the Hospital in Lviv, we purchased two oxygen concentrators with the total cost of **48,000.00 UAH**.

At the request of the management of the Kyiv Neurocenter, we repaired the equipment for medical ventilation that had broken down. The cost of the works amounted to **44,660.00 UAH**.

We continued providing the departments in which we operate in Kyiv and in Lviv with medicines, medical supplies and protective equipment. The expenses amounted to **44,657.68 UAH**.

We installed the bactericidal lamps with screens safe for patients in the pediatric department of the Cancer Institute to prevent the spread of infections. The expenses amounted to **28,080.00 UAH**.

Our physiotherapists helped **24** children hospitalized at the Cancer Institute undergo physical rehabilitation after surgery providing them with **184** sessions. The compensation for the work of two physiotherapists amounted to **116,732.00 UAH**.

The team of our psychologists provided **35** children with **99** consultations and **49** parents with **146** consultations. The consultations were both individual and group. The costs of this project amounted to **206,850.00 UAH**.

Zaporuka volunteers organized **24** entertainment activities for children.

Two nurses of the Cancer Institute Pediatric Department lived in the apartment of the Foundation for free. We also paid for the PCR tests of three nurses who had suspected Covid-19.

The Dacha Center became home for **31** children and **49** parents, as well as other family members. Some children had an opportunity to live with either parents or grandmothers; sometimes their siblings visited them. The cost of the project amounted to **385,998.79 UAH**.

The cost of the project New Center Dacha Construction in the reporting period was **1,517,436.15 UAH**. During the reporting period, we started facade works; insulated the boiler room, completed the carport and the roof of the boiler room; installed plasterboard ceilings and walls; installed window sills, hatches on walls and ceilings, exterior doors; started painting works; laid tiles in the boiler room; performed the first stage of work on grounding and lightning protection; made preparatory plumbing works in the boiler room.

In cooperation with the Zagoriy Foundation, we have involved more than 400 educational institutions in the global generosity movement on Giving Tuesday. Schools organized charitable events, raised funds to solve social problems. The cost of the project Promotion of Charitable Giving amounted to **250,385.00 UAH**.

The administrative expenses of the Foundation amounted to **542,215.97 UAH**.
